FOREWORD

THE S-K Chrome Tools listed in this catalogue are our first quality line only and are not to be confused with second grade tools.

¶ We sincerely believe these tools to be equal or better than any tools made at any price.

¶ S-K Tools proven to be defective will be replaced. Distributors are not authorized to make replacement of tools shown in this catalogue with the symbol "F", preceding the part number. Any of these tools showing a defect in workmanship or material will be repaired or replaced free of charge, if returned to the factory by the user, provided the tool has been used properly and does not show signs of abuse.

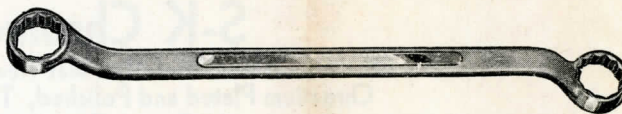

S-K TOOLS may be purchased on the Commercial Credit Company Automotive Equipment Time Payment Plan. See your jobber.

S-K Chrome Reversible Ratchet Wrenches

Chrome Alloy Steel
Thumb Action Reverse
Chromium Plated and Polished

These Ratchets are what the mechanic has wanted for years — they have from 2 to 4 times as many teeth as are found in ordinary ratchet wrenches. This large number of teeth enables the mechanic to secure a new bite in each 5° to 6° of the circumference. Drop forged, all parts precision manufactured and carefully heat treated.

No.	Drive Size	Length	Head Diam.	List Price

We have long felt that there would be a market for a set of tools that would offer the mechanic a complete setup that would take care of his everyday needs. This set contains a complete selection of all necessary sockets, handles, extensions, ratchets, universal joints and universal joint sockets, in the 1/4", 3/8" and 1/2" sq. drives. These tools are packed in our large No. 6610 Heavy Duty Tool Chest. This is an ideal Tool Chest for the garage mechanic. The top compartment contains an 18" Tote Tray which makes it possible for the mechanic to carry emergency Tools to the job. The top compartment is arranged with partitions to accommodate a complete Set of Socket Wrenches. The top drawer is divided into compartments for Box End Wrenches and miscellaneous small Tools. The bottom drawer will accommodate the 3/4" Drive Heavy Duty Sockets and other long and bulky Tools. The drawers have the "S-K" "EASYSIDE" feature. It is finished in attractive green wrinkle, with nickel plated hasp and side catches. A sturdy handle is affixed to each end for easy carrying. The size is 22" x 10" x 10".

No. 4010 Socketchest, 90 pieces, packed in No. 6610 Heavy Duty Mechanics Chest **List Price \$91.00**

No. 4011, same as No. 4010 except the Tools Only of the No. 4727 Set are added, making this a 101 piece Set **List Price \$121.50**

No. 4001, Tools, same as No. 4010, except that the set is packed in a No. 4000-C Portable Chest. . **List Price \$85.00**

For substantial discounts see your jobber.

Work Bench and Tool Cabinet

No. 6612

This combination work bench and tool cabinet comes equipped with two cylinder locks and two keys. The drawer is 19½" x 15" x 4⅛" and has the S-K "EASY-SLIDE" Feature. The bottom cabinet also under lock and key is 22¾" x 15" x 9". When opened, the door of the bottom cabinet slides out of the way under shelf.

This cabinet can be used in connection with any one of our tool boxes illustrated in our catalogue, but we especially recommend our No. 6610 tool chest or No. 6614 machinist chest. There is ample room on the work bench top for these chests.

Attractive green wrinkle finish with chromium plated handle and locks, 3" composition rubber swivel casters. Overall dimensions 31⅞" x 23" x 15¼". Shipped knocked down.

No. 6612 Work Bench List Price \$26.25

For substantial discounts see your jobber.

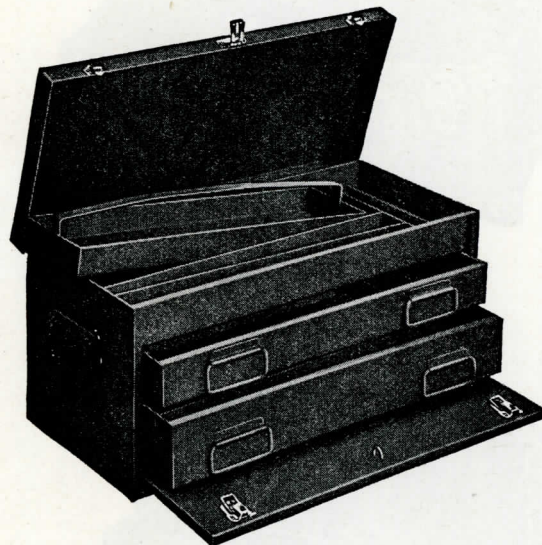

Heavy Duty Tool Chest

CLOSED

No. 6702

The Tool Wagon illustrated complete with 113 Tools, enables the mechanic to buy an efficient quality unit at a price he can afford to pay. The two drawers and tote trays have ample space for the storage of these tools, leaving the large compartment below, which measures 12 3/4" x 18 5/8" x 26 3/8" open for storage of large body tools, jacks, etc. The removable tote trays enable the user to take any necessary tools out on an emergency job. The top drawer and drop front which are equipped with tumbler locks give the mechanic security against loss while away from the garage. The detachable valve holder will carry 16 valves. The work bench top is covered by a rubber mat. If desired the wagon can be rendered stationary by removal of the 3" composition rubber casters. A durable Red and Black Wrinkle finish makes this a very attractive piece of equipment. All fittings are finished in Chrome. Overall dimensions: 34" x 26 3/8" x 19".
